EMV PDL Change for Discover U.S. Common AID

Effective June 17, 2019, Heartland will update the EMV Parameter Download system to support online PIN as a CVM for the Discover U.S. Common AID. This change will allow transactions initiated with the Discover U.S. Common AID to be processed with an online PIN. POS systems connected to the Heartland EMV PDL system will receive the update automatically.

Name	AID	Change
Discover U.S. Common	A0000001524010	<ul style="list-style-type: none">• Enable online PIN as a CVM

Please contact Heartland with any questions.
