### Discover Automated Fuel Dispenser Pump Limit Increase

Effective **May 22, 2022** Discover Network will raise the chargeback protection for transactions initiated from MCC 5542 - Automated Fuel Dispensers from \$100 to **\$175**. The protection is for fully authorized pre-authorizations where \$1 was submitted as the authorization amount. This change applies to all Discover transactions.

Clients are encouraged to review their AFD transaction limits for Discover transactions.

Please contact Heartland with any questions.
