This form is for informational purposes only. A completed and approved Merchant Credit Application is required prior to boarding. Once we receive the Merchant Data Form, completed in its entirety, we will forward a Merchant Processing Application for your review and signature. Please review carefully for any errors or revisions, sign and date each section requiring your signature. Provide a Voided Check (or) Bank Letter on bank letterhead validating the business has an open account in good standing. Also complete, sign and date the IRS W9 Form as all documents are required prior to boarding. It will take approximately 5 – 7 business days to board First Data and additionally 5 to 7 business days for Wright Express to complete their boarding process, totaling 10 to 14 business days to complete the entire process. Incomplete documents will delay the process and extending the total number days beyond 14th day.
